

DISASTER RECOVERY
ESCAPE PLAN FOR YOUR PHONE SYSTEM.

Neither snow nor rain nor heat nor gloom of night will stay your business with our Disaster Recovery Solution. Your PBX going down for even a short period of time can cost your business thousands of dollars in missed opportunities and damaged reputation. The automated PBX failover to a fully-hosted virtual phone system insures you will never lose time or money by not being able to communicate with your clients. **Every business needs a disaster recovery plan.**
